

GREETINGS FROM THE UNITED STATES OF AMERICA.

AMERICAN HIGHRISE BY RICHARD DANIEL CLARK. This magnificent impression by the Australian born artist blends existing buildings found in cities across the nation with structures of his own design capturing the shapes and geometry of modern American architecture. This tremendous artistic endeavor evolved over a ten year period and measures eight feet in length in its full size. Refer to the index below for existing buildings and the cities where they are to be seen across AMERICA, LAND OF MAN-MADE WONDERS.

DEAR JEREMIAH,
 Thank you for your GREAT POSTER,
 Great VISUALS with AN important
 MESSAGE FOR AMERICA. I wish you
 much SUCCESS with your ART.

Best Wishes
